1. References A and B submitted Foreign Real Property Reports in accordance with the requirements of references C and D. It is understood that these transmittals constitute part of a new listing of all the real property [redacted] which will void all Foreign Real Property Reports prior to reference A.

2. A review of the Foreign Real Property Reports submitted with references A and B shows that records are not current. The properties listed below have expired leases and their status is requested. A report should be submitted showing their new termination dates if retained, the date they were released, if dropped; or as "month to month", if temporarily occupied on an indefinite basis.
